## Osaka

Osaka Mono 60L  
Ref. 1 181 011

Osaka Mono 110L  
Ref. 1 181 013

Mobile sack holder for any kind of bag for selective collection of soiled linen and waste.

### FEATURES

- Completely in anodised aluminium
- Base platform in anodised aluminium
- 4 swivel wheels Ø 75 mm with circular buffer
- Exists in 4 versions : mono, double, triple or quadruple
- Exists in 3 sizes : 50L, 60L or 110 L
- Bags not included

### OPTIONS :

- Lids operated with or without pedals
- Large selection of polyester and plastic bags
- Silent wheels
- Brake(s)

► Holder ring in stainless steel instead of rubber for total hygiene. The heavier the load, the better it holds.

Osaka Triple 110L  
Ref. 1 181 045

Osaka Double 60L  
Ref. 1 181 032

Osaka Triple 60L  
Ref. 1 181 043

► Double pedal system : large pedal to open lid and to keep it open; small pedal to release lid.

► Silent wheels

Osaka Quadruple 60L  
Ref. 1 181 051

► Wheel with brake

**SPECIAL FINISHINGS - examples**

► Double Osaka covered with ceruse oak panelling.

► Osaka completely closed with panels and lid in anodised aluminium.

► Quadruple Osaka; 1 sack holder was replaced by a small cabinet for clean linen.
